Just talked to Bert. He's got it on a long list of things to look today and it is approaching the top of that list. He indicated that he would forward directly along to Karen and Deb when he has completed his review this afternoon. I told him that I had read through it and thought that it was in good shape.

Hi Andrew, can you please let me know if I should send the briefing paper to Karen McCintosh? Thanks - I just don't want to drop the ball on this. I haven't heard from Bert.

Just trying to be diligent not pesty...
